Chapter 1 analyses:-
From 300 years fang yuan sacrificed thousands number of people to refine a rank 6 named spring autumn cicada which can leap through time and it requires allat of knowledge for a immortal gu to refine that. (Planning,knowledge)

Thousands of people all gather around fang yuan urge to kill him even facing death fang yuan's expression never changed. (EQ,AQ)

Fang yuan from 300 years killed an entire family of a girl and executed all her 9 generations(note:- 1 generation=20-30 years)

Taking this as an count that all the 9 generation were passed by 9×20=180 to 9×30=270 years in novel it was clearly stated to be around 300 years ago

Which exactly accumulated and planned by fang yuan all to achieve his goals. (Planning,EQ)

Fang yuan was a scholar on earth who's body is got transmigrated into the gu world but despite all of that fang yuan's memory also came along with himself from his child hood to till now after 500 years he had memorized all of his past and he after 500 years he was also able to predict the possibility and prepared himself according to that. (FSIQ,foresight,planning)

The spring autumn cicada that we talked about earliar which can leap through fang yuans essential goal was to use the gu where he would become a demon in his next life with all of his 500 years of experience and memories.
(Strategy)

Fang yuan drops the spring autumn cicada towards the warlords as trap for them to step on.
(Setting trap)

Fang yuan in young age was able to write poems at gu worlds language and fang yuan is also skillful in his other earthly poems aswell and evaded the bullying of his stepparents,uncles and aunts.
(FSIQ,trap evasion)

.. If you have read this doc this far then thnx for the read and also love y'all for all that support ❤️
