P-premise
C-conclusion

P1-Kanna would rent the Central Shinjuku Church to reunite the two mafias
P2-The owner of the church (calling him baldy) is going to agree
C1- Kanna and baldy are gonna form a close relationship together, and baldy would form a close relationship to Chou san since he's one of Kanna's most important allies

P1 will happen because:
- Kanna needs people and influence to fight off the police and to take down friend
- It would occur in the church since it's a big famous place known to most mafia members since they regularly visit it
- The pope is going to get assassinated and she has to stop it

P2 will happen because:
- Baldy is generally pure hearted and is extremely cooperative looking at his background that is full of forgiveness and second chances
- He trusts the mafias and is convinced by kanna
- The pope is going to get assassinated and kanna has to stop it

C1=P3

P4-A certain priest called Perrin was killed
P5-Another priest called Luciano is going to take his place
C2-Luciano is going to scan all of the books and data in Perrin's office

C2=P6

P5 will happen because:
- Luciano was one of Perrin's students and disciples
- The relationship between the two was insanely close, and that's because Perrin made Luciano a christian priest and changed his entire life style and, according to Luciano, "saved his life"

P6-Luciano is going to scan all of the books and data in Perrin's office
P7-Luciano finds one of the books that Perrin studied heavily unlike other books
P8-The book is odd, it's newly printed yet has an old cover
P9-What the book contains is extremely odd as well (described by Luciano to be a cheap mix of western and eastern religions, then described to be terrorist predictions), making Luciano suspicious
C3-Luciano is gonna track the dealer and investigate around the contents of the book

C3=P10

P10-Luciano is gonna track the dealer and investigate around the contents of the book
P11-The book dealer couldn't answer the questions
C4-The book dealer guides Luciano into the original writer

C4=P12
P12-The book dealer guides Luciano into the original writer
P13-The writer checks the book and reads some of it sarcastically, he reads the "the world is going to end in 2015" part.
C5-This assures that Luciano is going to be aware of that fact

C5=P14

Now, going back a lil bit:

P14-Luciano is aware of the fact that the book says "the world is going to end in 2015"
P15-Perrin is an extremely devoted priest and is the one that taught christianity and its principles to Luciano
P16-Some of Perrin's strict rules that he forced Luciano into following were to never drink, and Luciano follows that by heart
P17-Before he died, Perrin said to one priests "when 2016 comes let's drink until the sun sets"

P18-Perrin would never drink, meaning that something will stop him from drinking in 2016
P19-the book that says “the world is going to end in 2015” was heavily studied and analysed by Perrin
C6-Perrin believed in that book

C6=P20

P20-Perrin believed in that book
P21-The writer said that he was told to write the book by a japanese dude
P22-The japanese dude told the writer that the book is going to get translated to nearly every major language and is going to become the new bible
C7-Luciano becomes incredibly worried and anxious about this very book and feels that there’s a conspiracy happening

C7=P23

P23-Luciano becomes incredibly worried and anxious about this very book and feels that there’s a conspiracy happening
P24-Luciano trusts the church priests
P25-the church priests know about the death and have enough influence and knowledge regarding it
C8-Luciano is going to the church priests to report about the issue

C8=P26

P26-Luciano is going to the church priests to report about the issue
P27-Church priests believe in friend and in the book (counting Perrin btw)
P28-Church priests are going to prove their knowledge to Luciano by “accidently” stating prophecies from the book that Luciano didn’t talk about, they also will confess that they didn’t read the book too
C9-This will strike great fear and anxiety in Luciano making him stop trusting the church, so when they tell him to stop his research he won’t

P29-Luciano knows about their scheme
P30-The church has influence in the police department
P31-church and police department both work for friend and they are used to kill off people who try to research about friend
C10-They are going to assassinate Luciano

C10=P32

P33-Luciano is researching alone, he tracks the clues and finds the exact place where Perrin dies
P34-He finds a local that has knowledge regarding the incident
P35-The local explains that “Perrin died via falling off the stairs, they said that he drunk too much red wine”
P36-Perrin never drunk red wine
C11-Police’s explanation of the murder is wrong

C11=P37

P37-Police’s explanation of the murder is wrong
P38-Perrin died due to another reason and the police are hiding it
P39-There’s an entire big conspiracy happening and the church is behind it
C12-Perrin was killed

C12=P40

P40-Perrin was killed
P41-All of Perrin’s stuff were stolen from his office
P42-Tons of police agents are in front of the church
P43-Luciano discovered a conspiracy about the end of the world that the church has a hand in, he knows too much
C13=C10

Luciano runs away

P44-Friend just died

P45-The pope is going to his funeral
P46-The funeral shall take place in the east
P47-The book says “the pope will fall in the east”
C14-The pope is going to get assassinated in the funeral

Concluding that Luciano is heading to friend’s funeral to find a way to put an end to this

P48-Luciano gets caught in Japan, Shinjuku near friend’s funeral
P49-Multiple police officers are gonna investigate him
P50-One of which is going to be Chou san since he’s a detective
P51-Luciano trusts Chou due to his pure hearted nature and due to him being devoted to do the right thing
P52-Chou tries his best to understand Luciano despite the language barrier
C15-Luciano informs Chou that the Pope is going to get assassinated

C15=P53

P53-Luciano informs Chou that the Pope is going to get assassinated
P3-Kanna and baldy are gonna form a close relationship together, and baldy would form a close relationship to Chou san since he’s one of Kanna’s most important allies
C15-Chou san frees him and gets him to body and kanna

Here we conclude that Chou san was able to connect Luciano with Baldy who can speak Italian like Luciano hence connecting them to Kanna who controls the mafias, meaning that all of Luciano’s knowledge is going to get transferred to Kanna

P54-Otcho and Yukiji see friend alive and well on the streets
P55-thanks to Luciano they know that if friend was alive, he IS going to kill the pope
C16-Friend is going to kill the pope

P56 (P1+P2)-Kanna controls the mafias so she's gonna use them to protect the pope and guard friend's funeral so the pope doesn't get killed
P57-Many randoms are going to use this chance (since the pope will be giving a speech as respect to friend so he's going to be vulnerable)
C17-Kanna will be having a war against random hitmen that don't know that there are two mafias searching for them, making the hitmen AND kanna's army busy for the entirety of rebirth

And with that, friend found the perfect way to shield 13 (his own hitman) from kanna making his rebirth plan invincible
