Strawberries And Cream:

DOC CREATED BY Hassan Mustafa ON YT

-Episode Starts With A Suspicious Man Arriving At A Local Store He Points Something To A Women Talking On The Phone Then The Police At The Local Store Are Made Aware Of A Cash In Motion 50k Taken And Tells Them The Car Which Is Exactly What The Suspicious Looking Man Is In He Leaves His Car And Approaches The Store Manager The Police Stop Him As The Store Manager Sees The Bomb On The Person He Runs Inside And The Man Blows Up Unexpectedly

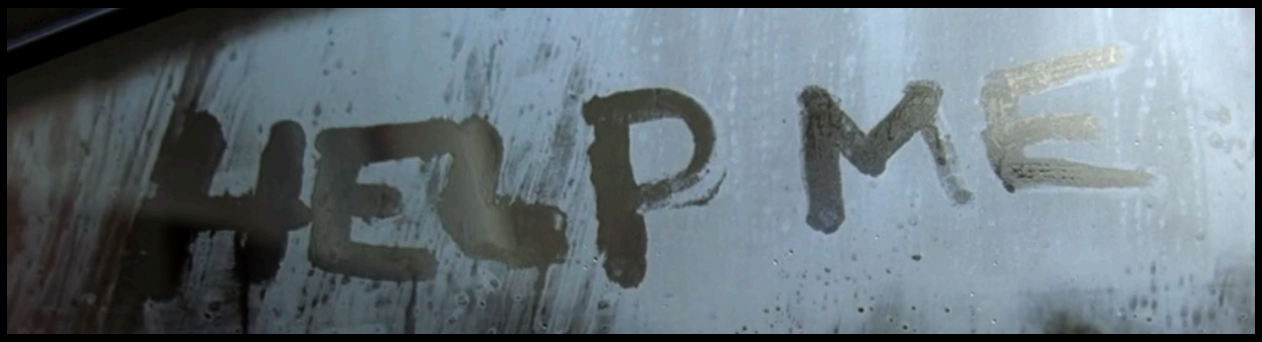

-CBI Arrive At The Scene As Lisbon Says Why Jane Is So Early Jane Replies Fighting Crime.

-Jane Says That Its Weird That A Man Uses A Bomb To Rob A Bank Lisbon Says For Starters It Isn't A Bank Its A Cash In Motion Store Which Has Less Security As Is Used To Wire Money All Over The World It's A Nice Target

-Jane Approaches A Lady As She Tells That The Person Was Trouble He Was Pointing Her In The Car Making Gestures At Her Jane Instantly Notices That There Is Something Wrong

-He Goes To The Car Calls Lisbon And Says That This Man Wasn't Angry Or Crazy As He Blows His Breath On The Car Window And A Writing Appears Help Me Is Written Jane Says He Was Terrified

-This Is Very Insane Amount Of Perception And Attention To Detail When Forensics Who Have Been Over Each And Every Thing Could Not Detect A Slight Change In Moist Around The Car Window But Jane Did This Is A God-like Feat In Perception And Abductive Reasoning.

-CBI Investigates The Crime

-They Discover That The Bomb Was A PE4 Which Is Used To Cause Most Damage To The Person Not The Bystanders

-Dinker Left Work At 5:30 And Robbed The Place At 8

-They Go The Cash In Motion Store They Find Jane Already There

-Jane Investigates The Manager He Sees Through His Fake Name Deducing He Was In Showbiz To Which The Manager Says He Had A Successful Music Career Jane Mocks Him And Says Bell Out A Tune For Us Mocking Him This Causes The Other Employ To Chuckle Causing A Rift Between Them For Jane To Leverage OFC All According To As Jane Predicted

-Jane Goes To The Vault And Makes The Manager Open The Vault For Him Manager Says The He Made Him And The Other Employe Go Inside While He Puts Money Into The Bag Then He Locked Them Thinking They Would Suffocate

-This Causes The Other Employe To Disagree And Say That He Knew That We Wouldn't Suffocate Since It Had Ventilation And The Manager Lashes Out And The Employe Says That He Was A Good Person He Would Never Hurt Anyone Jane Takes This Info This Is Because Jane Causes The Rift Between Them Earlier Excellent Info Gathering

-Jane Goes In The Vault And Picks Up A Stack Of Money In One Hand And Asks How Much Is This Gets The Answer That Its 10k Jane Realises That He Left A Lot More Then He Took The Manager Says He Was In A Hurry Jane Then Demonstrates That In 2 Seconds He Can Take 50k Easily And The Bomber Had Way More Time

-Jane Then Locks The Manager In The Vault

-CBI Retrieve A Client List Jane Sees This The Other Employe Cries And Says The Bomber Was Saying Sorry All The Time Jane Relieves Her Saying That She Has Practically Solved The Case Single Handedly

-If What Jane Implies Is True This Is Paranormal Amount Of Thinking Speed And Reasoning To Have Been Able To Solve A Case With Little To No Evidence Evidence Which Also Has Been Fabricated And Still Have Solved The Case Is Just Exceptional Not To Mention Only By Interviewing 2 People And Checking The Crime Scene This Is A Phenomenal Feat In Reasoning And Much More Processing Speed

-CBI Go To The Bomber Place Only To Find The Roommate Shot In The Head Lisbon Tells Jane.

-Jane Ignores It Saying Its Mostly Irrelevant And Without Any Knowledge And Even Without Lisbon Telling Him So Abduces That It Must Have Been A Room Mate He Then Tells Lisbon To Get Sac PD To The Cash In Motion Offices And He Will Reveal The Real Crime Motive Its Not Money.

-Jane 15 Mins Into The Episode Has Perfectly Psycho Analysed The Real Person Behind This Crime Which Is Absurd Amount Of EU Without Little To No Evidence

-Lisbon Talks To Jane Asking What The Motive Is Jane Says That The Room Mate Probably Had To Be Disposed Of By The Killer Who Controlled The Bomber Jane Then Says The Motive Is Those Cash In Motion Client List Since The Bomber Didn't Not Take The Amount Of Money He Could Have Meaning That This Was A Coverup To The Real Crime And Since He Took The Client List Ergo The Client List Was The Motive.

-Van Pelt Meets With Craig Saying Weird Case No Real Break’s Yet To Which He Replies “They Will Come” Which Is An Insight To Whats About TO Happen Later In The Episode

-Jane And Lisbon Head To The Crime Scene To Meet The Indian Store Manager And He Tells Them That The Bomber Asked For The Rest Room Keys Jane Observes That The Manager Is Very Fatigued Due To The Workload

-They Go The The Bathroom Finding A Code Saying AD 29A6 Windsor

-Jane Says It's All Very Mysterious
-Lisbon Gets The Proximite Area Of Windsor Within The Gas Station And She Goes To Visit With Van Pelt Separately They Don't Have Any Luck

-Lisbon Goes To The Last Place High School Which Was Shut Down She Tells Jane When Jane Asks By Calling Jane Calls It Iffy

-Lisbon Tells Not To Worry Saying She Will Call For Backup

-Jane After 5 Seconds Decides To Go Purely By Intuition Which Is A Pretty Absurd Feat Of Intuition Since There Were Many Places That The Team Investigated And Only This One Is Which Jane Through Intuition Doesn't Find Safe He Decides To Go

-Jane Goes Into The School He Hears A Noise Maybe SomeBody Is There Jane Finds Lisbon Strapped To A Bomb This Is An Insane Feat Of Intuition

-Jane Expertly Manages His Composure And Lisbon’s Also Since This A Death Situation Now And He Dies With Lisbon Jane Not Panicking Is A Phenomenal Feat Of Composure And EM.

-Lisbon Wants Jane To Defuse The Bomb But Since There Are Wires Attached To The Lock Lisbon Says Don't

-They Receive A Phone Call

-Lisbon Says Answering This Might Trigger The Bomb Jane Is Within The Radius To Die Easily But Jane Says We Will Never Know And Answers It Now This Again Is Insane EE And EM Jane Managed His Emotions Without Panicking In A Death Situation Speaks Of Itself And Is A High

Composure Feat Since Jane Dying Means No Catching RJ Which Also Makes It A Excellent EE Feat Also

-They Pick The Phone And They Hear A Voice Saying That She Must Go To The CBI And Obtain The Cash In Motion’s CD’s And Bring It To Him He Will Give Them The Location As Lisbon Is About To Disagree Jane Says Yes Yes We Will The Caller Says Who Is That With Him Lisbon Says Its Jane
-Jane Thinks For 3 Seconds And Then He Points To Lisbon That He Has A Plan And Turns A Wrong Corner To Someplace Else
-Now Before Moving Forward I Would Like To Tell U That Jane Through Mere Intuition Alone Was Able To Evade A Trap Set By A Brilliant Killer Not Only This As Jane Said 15 Mins In The Episode About The Motive Is True Which Is A Feat Of The Highest Quality In EU And Profiling Not Only Is He True He Managed To DO This With No Evidence Whatsoever

-The Killer Sets Ground Rules First No telling Anyone About The Bomb Or They Die No 2 Keep The Line Open And If They Lose Contact He Will Detonate The Bomb

-Now Jane In These Heavily Restricted Circumstances Has To Solve The Case On The Spot And Make A Strategy To Evade This Trap Find The Killer All In The Same Time

-Lisbon And Jane Head Out To The CBI They Are In The Car Even In All OF This Situation Patrick Is Seen Outstandingly Composed And Has A Slight Smirk On His Face

-Patrick Asks Him If He's Not A Religious Man He Says Deeply

-Lisbon Says There Are People In The CBI They Might Catch Them Jane Asks The Killer That He Only Wants The Disk’s Right There Is No Killing For Fun (The Killer With Janes Insane Manipulative Skills And Verbal Deception And Charisma Made A Mistake By Saying Dinkler Died By Running Into The Police Which Only Happens Due To Janes Insane Composure And Social Skills As He Is Still Gathering Info)

-This Is Pretty Outstanding Jane With All Of This And Of The Highest Quality Processing Speed Not Only Solved The Case But Has Made A Strategy Too Which Is Other Wordly To Think About In No Less Then Max A Min With These Insane Restriction On Top

-Jane Further Deceives Him With Verbal Deception

-Patrick Appears To Be At CBI He Is Hypnotically Walking The Killer Through His Voice They Reach A Door And Jane Tries To Pick The Lock He Now Cunningly Talks To Lisbon As Though He Is Gonna Confess To Her His Love Anticipating The Killer Will Listen Indirectly Manipulating Him To Lose His Attention Since Jane Understand The Killer Which Is Exceptional EU Not Only This He Talks To Lisbon In A Hypnotic Manner Which Is Also Direct Manipulation (At This Point The Killer's Face Has Been Revealed Its The Indian Store Manager)

-The Door Opens And Its Found That They Are Not Actually At The CBI But Where The Manager Is As Lisbon Has Him In Range To Shoot

-Jane Still In This Situation Takes Control Of This Situation And Before The Literal Killer Who Has His Life On Hold Presents Him With 2 Solutions Which Again Is Phenomenal EM

-1 Defuse The Bomb Or Die Here With Us Jane During This Again Cunningly Moves Towards The Killer Holding The Detonator Then Lisbon Says Jane That He Should Go Jane Says To The Bomber That He Isnt Afraid Of Death Rather The Pain Of Dying They Slowly Start Arguing And Fighting With Each Other As Jane Predicted The Killer Gets A Cognitive Overload Not Knowing Who To Listen Too As Jane Snateches The Detonater Cunningly.

-Now To People Who Say That Jane Doesn't Have Any Composure Or Is A Coward Must See This To Understand How Much Of An Insane EE and EM He Has To Be Able To Handle This Situation And To Come Out On Top

-Jane And Lisbon Make The Killer Take OF The Vest

-Larouche Appears And Takes The Killer Into Custody Jane Says He Wouldn't Tell Anything Why He Wanted The List The Killer Says “There Is A Reason For Everything He Did”.

-Larouche Takes Him Into The Car Jane And Lisbon Argue And Walk Away And They Hear Gunshots Behind Them Larouche Gets Out Of The Car Saying He Tried To Pull The Gun The Killer Is Now Dead

Now Patrick Jane’s Insane Reasoning And Strategy He Did In Seconds

PATRICK JANE’S REASONING:

- ➔ The Victim At The Start Of The Episode Went To The Gas Station
- ➔ Why Because He Wanted To Fill His Tank
- ➔ But His Tank Was Already Full
- ➔ He Wanted To Evade The Police But They Were There Why Not Go To Some Other Place
- ➔ Is It Because He Wanted To Go Only To The Gas Station
- ➔ Even If He Only Wanted To Fill His Gas There People Would Have Seen Him With The Bomb

Conclusion:
The Person Had Something That Was Only To Be Done At The Gas Station

- ➔ Why Would He Point So Hardly At The Old Lady
- ➔ Reason He Wanted To Leave A Message
- ➔ The Bomb Was A PE4 Which Does Not Cause Damage To By Standers
- ➔ If The Bomber Were A Terrorist Why Would He Do That

Conclusion:
He Needed Help And Was Being Used By Someone Else

- ➔ He Robbed A Store
- ➔ But Took Less Money Then What He Could Have Taken
- ➔ He Also Took The CD’s
- ➔ Their Co-Worker Says That He Was A Kind Person
- ➔ His Own Room-Mate Is Found Dead
- ➔ He Is A Kind Person He Would Not Kill Him
- ➔ Why Because After Death People Tend To Snitch On People And If His Co-Workers Say He’s Kind He Must Have Been
- ➔ This Is Based OF Pure EU And Deductive Reasoning

Conclusion:
There Is Another Motive Behind This The Killer Is Fairly Experienced The Person Who Robbed The Place Is Innocent And Has

Nothing To Do With It There Was Less Money Stolen Then What Could Have Been Meaning The CD’s Were The Real Target The Money A Misdirect Further Evidence That His Own Room Mate Was Found Dead Also Meaning That The Killer Is A Sadist Likes To Enjoy People Suffer Which Can Be Used Against Him And Surely He Will Strike Again

➔ The Bomber Tried To Go To The RestRoom
➔ The Store Manager Is Tense
➔ The Killer Leaves A Code Even In These Circumstances
➔ The Bomber Can Talk Directly To The Person Who Has The Bomb
➔ Then Why Leave A Message In The Restroom
➔ The Only Reason It Could Have Been Because It Was A Fake
➔ This Means That The Bomber is Setting Up A Trap
➔ His First Victim Was Most Likely There To Deliver The List
➔ Also That Someone Would Approach Him
➔ But This All Goes Wrong Since The Police Caught Him
➔ The Killer Leaves The Message In The Restroom For The CBI To Find
➔ It Is A Simple Message To Snag A CBI Agent
➔ To Get The CD’s That Are In Evidence

Conclusion:
This Is A Trap Set By The Real Killer And Has To Be Evaded

➔ The Killer Only Wanted Lisbon
➔ He Did Not Account For Jane
➔ Possibly He Has Meet Him
➔ He Heard Someone Leave From The School
➔ Possibly The Killer
➔ The Ground Rule Indicate That The Call Must Not Be Interrupted
➔ And They Would Not Tell Anyone Else
➔ He Is A Religious Man
➔ This Person Knows That The CBI Have The CD’s He Needs
➔ The Killer Says That Dinkler Died Because He Ran Into The Police
➔ Possibly Meaning That The Real Killer Was Close

Connecting The Dots:

The Innocent Person Was Killer In Front Of The Store Now It Is Realised That It Had More To Do With The Police Finding Out Not With Him Having A Bomb Or The Money

Meaning The Real Killer Was There Too

The Only People There Were The Lady The Store Manager

The Innocent Person’s Co-Worker Say He Was Kind And Feeling Sorry

He Could Have taken More Money If He Wanted But He Didn't

The Real Thing The Killer Wanted Was The List

Meaning It Was The Killer Who Killed His Roommate

Why Would The Innocent Person Go Into The Bathroom At Such A Time

Maybe He Didn't And It's A Trap

Written By The Real Killer

The Killer Finds Lisbon At The Last Place She Would Go Further Evident It Was Written From The Killer And Is Fabricated

The Killer Would Only Call Lisbon Since She Can Easily Be Handled Further Evidence That The Person Is A Male

The Killer Wants To Take Lisbon And Patrick To The CBI Further Evidence That The Killer Has Knowledge

The Killer Is A Religious Man

The Killer Killed The Innocent Person Only Because He Was Found By The Police Not By The Store Manager First

This Leads Jane To The Conclusion That The Person Is The Indian Store Manager Why Its Because He Is Found The Most Common Between All Of The Events He Was The One Who Wrote In His Own Bathroom Since He Had Enough Time Also When He Meet The Innocent Man If He Was Not The Killer He Could Have Died Also But He Had Enough Time To Get Himself Out Of Harm’s way And He Himself States That It Was Because Of The Police Making Evident It Was The Store Manager Also The Person Is A Very Religious Man Most Indians Are Religious The Bathroom Code Was Fabricated The Person Perfectly Fits The Sadist Profile He Was The Only One Tense About All The Interviews Whereas Store Managers Like Attention To Make Their Store Public Making The Connection That The Real Perpetrator Is The Store Manager

Jane Managed To Solve This Case And Make A Strategy For It In No Less Than 3 seconds Max When He realised While Driving The Car This Is Outstanding Ability To See Though People Just From Minimal Evidence In A Short Time Frame At That And Perfect Trap Evasion By Using Deduction And Logical Inferences

STRATEGY:

-The Killer Is The Indian Store Manager He Is Likely A Sadist
-Him Being A Sadist Means When Jane Starts To Confess To Lisbon He Will Listen
-Lisbon Has Been Strapped With A Bomb And She Only Has Guns
-The Only Way This Can Work Is To Not Let The Killer Know Jane Is Misdirecting Him
-The Bomb Can Be Used A Tactic Turning The Tables On The Killer Which Is Insane Tactical Potency Since Jane Managed To Turn The Bomb Which Was A Disadvantage Into An Advantage
-He Sets A trap Using This To Turn On The Killer Which Is Efficient Trap Setting And Trap Evasion And Absurd Tactics To Us The Bomb Of The Killer Against Him

In The End Jane Managed To Evade A Masterfully Set Trap By The Killer And In Outstandingly Disadvantageous Situation

It shows Patrick Jane's exceptional skills in perception, intuition, and reasoning. Also his ability to solve complex cases with minimal evidence and his composure under extreme pressure is phenomenal. People underrated his composure for sure. Ultimately, Jane's strategy and quick thinking lead to the capture of the actual criminal, even when faced with life-threatening situations. His ability to maintain composure, manipulate conversations, and gather crucial information under duress highlights his unparalleled expertise in solving crimes which can also be good for crystallised intelligence

This Concludes The First Part

-The Killer Tries To Escape And Gets Shot By Laroche He Had No Choice

-Lisbon Explains How Jane Found Out The Killer And Whats So Important About The Client List They Catch A Name Max James And Go To The Crime Scene Jane Lisbon And Cho

-He Was Dead 4 Days Ago And The Bullets Match The Same As Dinkler And Before The Bomber Gupta Put The Bomb On Dinkler Jane Reasons That It Was Torture And He Wanted Something But He Died Of A Heart Attack Before Gupta Got What He Wanted

-They Find A Cash In Motion Receipt Lisbon Says This Is What Lead Him To Dinkler Cho Asks What Did The List Get Him And Upon Inspecting He Finds A Photo A Hightower A Former CBI Boss Which Is Being Protected And Concealed By Jane Only Lisbon And Jane Know About This.

-Now The Case Before And This Case Has Become Mysteriously Connected Into A Much Deeper Web

-Max James Has A Picture With Hightower Cho Wants To Call laroche And Jane Says Dont Takes The Picture Leaves And Tells The Sac Pd They Were Never Here Cho Doesn't Know Why

-Its Found Out That RJ Is Behind The Bombs And He Is Hunting Hightower And Gupta Was Being Manipulated By Him And Its Likely That RJ Was Making His Moves Through Him

(Now To Elaborate Since RJ Was Making Every Move Through Gupta The Bomber This Makes Jane’s Trap Evasion And Strategy Tactics All The More Better Since He Was Up Against A 2v1 And Won)

-Jane Says He Doesn't Know Where HighTower Is And If RJ Wants Him He Can Find Him Maintaining Himself And Not Being Afraid That He Might Die

-Jane Goes To His Motel And Finds HighTower In His Room

-Hightower Tells Jane That The Murder Victim Max James Was Her Cousin And She Says RJ Is Gonna Find Her Eventually

(PLANNING INTRICACIES,VERSATILITY,AIM,COVERAGE,STRATEGY COMPLEXITY,EFFECTIVENESS,SUCCESS RATE,ADAPTABILITY,FORESIGHT,STRATEGY SHIELDING,MANIPULATION,VERBAL DECEPTION,FORESIGHT)

-Hightower Says That She Is Turning Herself In And When She Says That Jane Stops And Says Ok She Will Appeal In Court She Hints At It Messing Up At Jane's Plan And This Obviously Hints To A Much Longer Plan Jane Has Which Has Been Hinted Along The Series But Will Have To Do In Another Doc

-Hightower Says That If Janes Is Getting Closer To Finding The Accomplice In CBI Again Hinting To The Much Longer Plan Since The Start Jane Says That Its Complicated And A Long Process And He Has Been Working Very Long Term Slowly And Carefully But This Changes Things

-Jane During This Short Time Has Thought Of A Brilliant Plan To Find RJ’s Friend Remember The Aim Is Finding The Accomplice Not RJ Himself He Request Hightower Give Him 48 Hrs Before Turning Herself In

-Jane Wants The Team To Meet They Meet

-Jane Says That When He Was Held Captive By RJ He Told Them He RJ Didn't Say Anything To Jane But He Was Lying The Team Is Not Surprised Jane Tells The Team About The Famous RJ Iconic Line Tyger Tyger And Tells Them

-Jane Says That Todd Johnson Also Recited First Two Lines Of The Same Poem Team Says But He Was Killed By Hightower Lisbon Says That She Was Framed And Someone Else Is Working For RJ Inside The CBI

-He Tells That HighTower Wants To Surrender And The Team Will Protect Them In The Meantime Jane Will Find RJ’s Friend And After That Have Him Take Them To RJ But The Main Aim Is Still RJ’s Accomplice

-Laroche Had A List With Hightower Name On It And 4 Other People There At The Time Of The Murder Jane Doesnt Know He Has To Get That List

-Why Because If Larouche’s Suspects Are Not RJ’s Friend Then Laroche Is And If Jane Asks About The List He Will Lose Since RJ Will find Out

-Jane Has To Get The List Find Out RJ’s Friend And The Associate One Or More If Not Then Its Laroche All In 48 Hrs Jane Says He Has A Brilliant Plan

-Jane Goes To Laroche He Asks For The Name Of The 4 Suspects Now Why Jane Directly Asks This Is Because Jane Fabricates The Truth By Saying Hightower Has Contacted Him And She Says She's Innocent And Jane Believes Her The Reason Why Jane Says He Believes Her Is Because He Knows Larouche’s Thought Process Being That Jane Is Highly Respected And Who He Believes Is Always Innocent Further Fabricating The Truth From Laroche And RJ If Larouche Is His Associate

-Jane Says That If Hightower Is Innocent The Other 4 People Are Guilty Larouche Asks Where She Is Jane Says That He Doesn't Need To Know Larouche Says That He Won't Give The Suspect List Jane Bluffs Laroche Saying That He Will Tell Him Personally Where Hightower Is If He Gives Him The List According To As Jane Has Planned

-Larouche Says That He Should Tell Him Anyway Jane Laughs And Says I Love U Throwing Larouche Off Guard He Stands Up Saying That If He Gives Him The List He Will Make Sure The Hightower Surrenders To Larouche + He Will Keep His Secret Entirely To Himself

-Larouche Further Off Guard Saying What Secret Jane Says That There Was A Burglary In Larouche's Home He Was Looking For The List Admitting And Saying He Was Sent By Himself Jane Admits To A Serious Criminal Offense Larouche Could Arrest Him Jane Says He Won't Because The Burglar Didn't Come Up With The List Instead He Found A TupperWare And He Saw What Was Inside It Jane Then Further Bluffs Saying Interesting Larouche Replies Saying Its Private Jane Then Further

Bluffs Saying No Kidding It Should Be This Is Immaculate Bluffing Verbal Deception As Well Has EM And Composure

-Jane Says He Would Love To Help him Keep It That Way Larouche Goes To The Table Saying Ur A Fascinating Man Patrick No Wonder What U Would Have Become If U Werent So Damaged Compelling To Jane’s Aura And Charisma

-Larouche Ask Now If He Will Tell Him Where Hightower Is Jane Says He Will But Give Her 48 hrs

PATRICK JANE’S DECEPTION MANIPULATION TRAP SETTING STRATEGY COMPLEXITY EXECUTION:

Jane Enters Larouche's Office Knowing Very Well That He Has No Leverage Of The Situation Whatsoever Except For His Bluff Which He Doesn't Even Know Now Jane Through This Has To Be Very Careful Not To Mess His Plan Up As He Has To Keep In Mind That Larouche May Be A RJ Associate So When Jane Says That He Believes That Hightower Is Telling The Truth He First Set’s This Trap In Larouche's Mind And Thought Process To Think What Jane Wants Him To Think Since He Knows That Larouche Respects Him And He Will Take His Word This Acts As A 2 Way Fabrication Since We Also Know That RJ Also Sees Jane As His Equal And If Larouche Is RJ’s Associate He Will Definitely Believe Him Also Jane Asking For The Suspect List And The 48 Hours Is A Perfect Trap Since If Anybody Moves In That Time They Would Be Screaming That They Are Working With RJ Janes Sees This And Knows That RJ Would Think The Same Causing Him To have More Time To Work With And Executing His Plan Without And Hiccups Lastly His Bluff On Larouche And His TupperWare Also Acts As Insurance On Larouches Movements Too Since His Potential Being And RJ Associate Is Very High And This Will Keep Him At Bay Indirectly Manipulating RJ in The Process Too Also This Bluff Again Acts As A 2 Way Fabrication Set Up Because If Larouche Is A RJ Associate This Will Make RJ Think That Jane Heavily Belives That Larouche Is Jane’s No 1 Suspect Which Then Turns Back To The Previous Deception Of The 48 Hours Time Restriction Causing Larouches Moments

To Be Completly Sealed This Is The Perfect Set Up For Jane And Is Insane Strategy Complexity And Perfect EU.

BACK TO EPISODE

-Jane Goes To The Team Telling Them He Got The List The Suspects Are:
1 Brenda Shettrick (CBI Media Relations)
2 Osvaldo Ardiles (Assistant DA)
3 Gale Bertram (CBI Director)
4 Craig O'Laughlin (FBI, Grace's Boyfriend)
5 If Not These Then Larouche

-Grace Is Upset Upon Craig Being On The List But She Must Keep Quiet

-She Must Go To Protect Hightower In The Mountains And Stay Away From Craig

-Jane Says That He Will Tell Everyone Of These People About Hightower Rigsby Says That Oh And When They Came Hightower Wont Be There And We Catch Them Jane Says No RJ Wont Risk Sending A Valuable Asset Rather Send A Assassin Which He Later Does Adding More To Jane’s EU Also RJ Is Unpredictable And For Jane To Be Able To Predict What He Will Do Is Something Else Entirely

-Also Jane Has Seen Much farther Into The Strategy Then Anyone

-Jane Explains How It Works

-Go To Larouche Tell Him Pacific Palms Hotel Room 705
-Manipulate Brenda Into Getting The Information That Hightower Is In Room 405
-Tell Bertram About Room 605
-Make Ardiles Believe Rigsby Messed Up The Hightower Info And Give Him Room 305
-Tell Craig About The Hotel Through Rigsby Room 505

-Jane And The Team Set Up Surveillance In The Rooms And Wait

VISUAL ASPECT TO THE STRATEGY:

-The Reason Why Jane Has Set Up These Rooms In A Horizontal Order Meaning They Are Not Rooms Side By Side Rather Over Each Other And Another Is To Simply Counter The Attack That RJ Might Use The Rooms Without Windows As A Shield And They Might Never Know Which Assassin Went To Which Room Because It Keeps RJ Out Of Harm’s Way Directly And The Assassin Gets A More Easy Kill If A Person Were In That Room + There Is No Escape Route Except For The Window.
-This Acts As A Contingency That Acts For All 5 Of These Rooms If Anything Ever Happens

- The Only Way To Escape Is Use The Windows To Jump Of To Ur Death

-The Can Be Counteracted By Taking The Fire Stairs To Misdirect The Person

-Firstly, by vertically stacking the rooms, it aimed to disrupt RJ's ability to predict movements and maintain an element of surprise Secondly, the deliberate lack of escape routes, except for the windows, increased pressure on RJ and trapped potential targets in confined spaces Thirdly, the vertical alignment isolated targets, allowing the CBI to focus their efforts and execute missions properly additionally, the stacked rooms potentially enhanced surveillance capabilities, allowing for better monitoring of RJ and the assassins' movements; furthermore, the vertical arrangement introduced confusion among enemies, potentially destabilising RJ and his associates; the enhanced protection provided by the stacked rooms made it more challenging for potential intruders to breach, adding an extra layer of security for those inside; finally, the unconventional room layout created a significant element of surprise, unsettling RJ and his team and reducing their reaction time to defend against the impending attack.

RESILIENCE,PLANNING INTRICACIES,SHORT TERM PLANNING,PLANNING COVERAGE,DECEPTION,VERBAL DECEPTION,PREDICTION,LOGICAL MANIPULATION,INDIRECT MANIPULATION,DIRECT MANIPULATION)

-Jane Spots The Assassin After Hours Of Mindless Searching In The Cameras Jane Instantly Sees Through The Fake Persona And Deduces That She Has A Bag With Very Little In It And When He Sees Her Face He Says That She Has Killer Eyes Obvious This Is Insane EP He Also Says Homicidal Eyes Clear As Day

-The Assassin Doesn't Go To Any Room Instead Comes Up To The 8 Floor Which Is Where The Team Is She Passes Them

-The Assassin Goes To Room 605 Which Is Bertram’s Room They Know That The RJ Associate Is Gale Bertram The Assassin Finds Nothing Then She Unpacks A Couple Of Things And Sits

-Cho And Rigsby Head In The Room As The Assassin Allegedly Jumps Of To Her Own Death Via The Only Way

-The Things That The Assassin Takes Out Of Her Bag Is A Rope Knockout Drugs And A Bag The Natural Conclusion Is She Was Trying To Take Hightower Back

-Jane Here Still Says “Maybe” He Still Is Not Sure What All Of This Was For Through Intuition

-Jane Says That They Need To Go Out Before The Security Comes In And That RJ Thinks Hes One Step Ahead Of Jane When Actually Hes 1 Step Behind So In Effect Hes 2 Steps Behind

-Jane Says Now They Need To Lure Bertram

-Grace Meets Back With Craig Tells Him All About Hightower She Tells Him That He Was The Suspect And If She Tells Him He Will Freak Out

-Now Obviously Craig Is An RJ Associate So Is Bertram And So Is Brenda So When Van Pelt Tells Craig That If She Tells Him He Will Freak Out This Leaves Only One Conclusion For RJ Which Is That His Framing As A Misdirect Of Bertram Has Worked And Jane Has Not Yet Seen Through The Rope Misdirect Why Because Only Bertram Has The Surprise Element That Will Scare People

-Grace Ask’s Craig To Go With Her

-Larouche Asks For Hightower

-Jane Goes To Bertram Who Is The Suspect And Tells Him Straight On That Someone Tried To Kill Hightower Last Night And That He Can Still Bring Her In Peacefully But She Wants To Talk To Bertram And Make A Deal Trusting Bertram Which Betram Says She Should And If He Doesn't Jane Stays She Will Take Her Story To The Media Which Jane Knows That Bertram Really Dislikes And Because Of That Bertram Agrees Jane Uses His EU To Bluff Bertram Into A Trap

-Lisbon Brings The Pizza To The Police And Then To Hightower

-Jane Brings Betram To A Mall Saying That Hightower Won't Be Killed In A Place Like This

-Jane Observes That Bertram Isn't Nervous At All Causing Him To Look Back And Maybe Rethink

-Lisbon And Hightower Are About To Eat

-Time Passes By And Bertram Says She Isn't Coming Is She And Asks Who Is Trying To Kill Her Anyway Jane Says Red John To Which Bertram Says That Jane Needs Help When Jane Says He Has A Friend Inside The CBI And Bertram Says That U Seem Like U Have Reached The End Of Your “Rope”
This Is The Moment Where Jane Realises That The Rope Wasn't For Strangling Hightower It Was To Climb Over The Balcony To Get To The Room Below The Room She Was Targeting Was Room 505 Craig O'Laughlin

-At The Same Time Grace And Craig Come To The Place Where Lisbon And Hightower Are And Cross The Gates And They Cross Halfway Craig says That He Forgot His Phone And As He Goes Back Kills The Police At The Gate

-Rigsby Calls Van Pelt But Craig Himself Dismisses His Phone

-Cho And Rigsby Leave Bertram Lashes Out And Jane Tells Him To Walk Away Situation Is Dire Now But Janes Strategy Is Resilient Enough To Be Still Held In Place

-Jane Calls Lisbon And Tells Her That Is Craig Lisbon Is Stunned As She Turns Craig Shoots Her As Craig Is About To Shoot Van Pelt And Hightower Lisbon Throws A Heavy Cushion To Craig And Van Pelt And Hightower Shoot Him And He Dies

-Jane Direly Managed To Evade The Trap

-Jane Asks Lisbon To Call Craig’s Last Called Number And Call Him To Tell Him Craig Is Dead As Lisbon Calls There Is A Person In The Mall Who Receives The Call He Says That That's Too Bad U Win Some U Lose Some Meaning Jane Has Won Despite RJ’S Massive Influence And Info

-Jane Tells Lisbon That He Will Call Her Back

-Jane Approaches The Man He Thinks Picked Up The Phone

-Jane Asks The Person Who He Is When He Says Who He Was Speaking Too Jane Says Were U Not Just Now Speaking To Agent Lisbon To Which RJ Plays With Him And Says He’s Making Him Uncomfortable

-Then He Says Hes Messing With Him And That Jane Knows Who He Is And That People Call Him Red John

-RJ Points The Gun Jane And They Start Talking Jane Asks What The Evidence That He Is RJ And He Replies That Is A Deep Question How Does Anyone Know Who Anyone Is And RJ Also Says That When Craig Told Him About Janes Trap He Was So Excited To Teach Jane One Last Lesson But Jane Has Prevailed For Once Again Clearly Indicating Jane’s Win Then RJ Says That It's Time To Quit And Retire And Teases Jane To Make Him Mad Jane Stays Calm Even After All Of This When He Mentions Kid And Jane Asks That Why He's Telling Him This RJ Replies That He Apologises For Any Pain He Might Have Caused Him Again Teasing Jane Also says That Jane Is Cursed And Jane Says That He Will Have His Revenge And Jane Says That Wherever He Goes Jane Will Chase Him And Kill Him Then Forget About Him RJ Tells Him That Seeking Revenge Is Flawed And Jane Says When RJ Is Dead He Will Change his Life RJ Says Goodbye
Jane Says How Does He Know That He Is RJ To Which RJ Replies “Ur Wife Was Very Clean She Smelled Like Coal Tar Soap & Lavender And The Daughter Like Strawberries And Cream”

-As RJ Is About To Leave Jane Says To Wait And Then Shoots Him From Inside His Pocket Showing Absurd EE And EM Despite Knowing That He Has No Evidence Whatsoever And That He Will Rot In Jail But He Doesn't Care And Jane Is Never Fond Of Guns To Further Show His Brilliant EQ He Sits At The Table And Says Can I Get The Check Please Showing Strong Resilience This Is Not Bad EE Or EM Since We Know Patrick’s Goal The Whole Series Is To Kill RJ

-In The Start Of The Episode An Innocent Man Is Blown Up

-After Solving The Case Patrick Realises That This Is All Connected To RJ

-The Case Was Solved Because There Was Evidence Which Pointed To Killer Only PJ Could Find Knowing That The Bomber Had Been Working With RJ

- So Jane Knows This And Figures Out That RJ Wanted Jane To Solve The Case

-They Find A Body Who Is Hightower Cousin Further Implying That RJ Wanted The Case To Be Solved So That With This Jane Can Make Hightower Reaper Or Use Her To Lure Him Out

-Jane Asks Time From Hightower Knowing Very Well That RJ Would Get Time Too So He Would Prepare For Many Eventualities

PATRICK JANE'S REASONING ANTICIPATION AND METACOGNITION:

- ➔ The Bomber Was Elusive But All The Evidence Was Pointing To Him
- ➔ RJ Wanted The Bomber To Be Found
- ➔ Hightower's Cousin Is Killed Forcing Hightower To Reveal Herself
- ➔ Jane Knows That RJ Knows That Jane Will Ask For Sometime To Prep For RJ Since He Wants To Catch RJ Associate And In The Process RJ
- ➔ Jane Also Knows That RJ Knows That Larouche Has A Suspect List
- ➔ Most Likely The Associate Is On That List
- ➔ RJ Will Prep For This And He Has To Do So Too
- ➔ Jane Also Knows That RJ Has Info That The Team Except For Lisbon Doesn't Know
- ➔ So For This To Work Jane Has To Tell His Team (This Is Part Of Both RJ'S And Jane Though Process Reading Each Other To Precision And Accuracy)
- ➔ Telling His Team Opens More Possibilities
- ➔ Jane Also Knows That RJ Associate Could Be Larouche Himself And RJ Knows This Too

  Conclusion:
  -RJ Is Prepping To Move In On Hightower And Give A Blow To Jane
  -RJ Also Has All The Info He Needs
  -RJ Wanted The Bomber To Be Caught Meaning RJ Has A Long Term Plan And Jane Will Lose If He Doesn't Scrutinise His Every Action

- ➔ Jane Knows That Larouche Could Be The Associate Or Not
- ➔ The Bomber Was Told That If He Was Caught He Would Try To Escape Towards Larouche And This Will Cause Larouche To Take Action And Kill Him Framing Larouche As A Misdirect Or As A Gift Since He Could Not Be RJ Associate
- ➔ Or Larouche Killed The Bomber From Talking Based On RJ's Orders

➔ This Could Potentially Mean That RJ Wanted To Deliberately Frame Larouche
➔ But This Would Not Be The Case Since RJ Values His Associate Highly And Most Likely The Larouche Killing Was Made As An Obvious Misdirect And Also May Potentially Work As A 2 Way Trap

Conclusion:
-Larouche Is Not The RJ Associate Since RJ Values His Inside Man Highly But RJ Knows That Jane Will Figure This Out So He Deliberately Tries To Frame Larouche More To Make Jane Suspect Him More And Jane Has To Take Him Into Consideration And Forcing Jane Which Jane Knows To Lose Man Power Via RJ's Brilliant Tactics Jane Understood This Based Of Pure EU

➔ Jane Has To Restrict Larouche's Movements By Bluffing Him Making RJ Think That PJ Still Has Larouche In His Consideration When He Doesn't
➔ PJ Bluffs Larouche In Such A Way That It Restricts RJ's Movements By Trapping Larouche Into A Corner Where If He Moves It Will Be Evident He's With RJ
➔ This Causes RJ To Leave Making A Trap Through Larouche For PJ To Fall In Since He Already Did Not Buy The Killing One
➔ Then After This Jane Must Take Take The List From Larouche But Must Tell Larouche That Jane Will Tell Him Soon Indirectly Causing Hindrances In RJ's Strategy Since Jane Has Information He Is Not Giving Up
➔ Jane Knows That RJ Must Think This And Uses The Time To Go Through His Elaborate Plan And Set Up

Conclusion:
Jane Has RJ In A Pinch And Jane Knows That RJ Knows This And Through Reasoning And Indirect Manipulation Is Able To Know That Larouche Is Not Working With RJ But Has To Make RJ Think That Jane Thinks That Larouche Is

➔ Jane Meets Up With The Team Already Ahead OF RJ And Sets Up His Trap
➔ Jane Realises That Todd Johnson Was Really Working For RJ

- ➔ Jane Sets Up A Trap For Brenda Shettrick
- ➔ Gale Bertram
- ➔ Osvaldo Ardiles
- ➔ Craig O'Laughlin
- ➔ Larouche
- ➔ Jane Then Using His Cunning And EU Directs The Message To All Of These People
- ➔ He Conveys The Message To Brenda Via Lisbon Through A Misdirected File Knowing Brenda’s Nature She Will Not Be Able To Resist Since She Is A Reporter And It's Her Job But If She Is An RJ Associate She Couldn't Help It Jane Uses Her Lack Of Impulse Management To His Advantage Then He Makes Lisbon Go Back And Act As If It Is The Wrong File And Make Lisbon Act That This File Was Serious Giving More Plausibility To It Making Brenda Believe It Is The Real Thing And If She Is Working With RJ Logically Manipulating Him
- ➔ He Then Also Conveys This Message To Gale Bertram The Same Way Via Lisbon Since Bertram Has Been Known To Be Very Upfront About Maintaining His Public Appearance He Would Want Hightower To Disappear And If He Is Working With RJ He Would Again Manipulate Him
- ➔ He Conveys The Message To Ardiles Through Gossip By Cho And Rigsby Since He Knows That Ardiles Knows That Rigsby Is Clumsy He Would Mistakenly Leak Information Making Ardiles Believe He Is Telling The Truth And These Are Very Cunning Tactics And Mind Reading Used By Jane
- ➔ He Then Conveys His Message To Craig Via Rigsby Since He Knows That Craig Knows That Rigsby Has A Thing For Van-Pelt So He Wouldn't Lie In His Story
- ➔ He Himself Gives Larouche The Info About Hightower Since Its The Part Of The Deal

-Jane Uses His Cunning Complex But At The Same Time Simple Tactics And Strategy To Tangle RJ In A Web He Made To Now Explain What Is Happening Jane Used The Simple Hotel Room Number Methods To Lure In The Assassin Who Would Inturn Justify Who The RJ Associate Is Now The Rooms Act As Part Of A Misdirect To RJ Since We Know Later In The

Series The 3 Of These People Were Working For RJ Now Since This Information Went To RJ He Would Have Thought That Jane Must Have Realised Who The RJ Associate Is But Jane Knows That RJ Would Think This Because His Strategy Complexity Makes It That If The 3 People Here Had To Bring The Same Information To RJ He Would Naturally Think That Jane Knows But Since RJ Wouldnt Know If Jane Told Other People Or Not It Would Make Him Think That He Has To Waste One Of His People Since We Know That Jane Understands RJ To The Point That He Can Read His Mind Same Goes For RJ Jane Knows That RJ Is The Type To Get Rid Of People In The Blink Of An Eye And Here Jane Is Counting On That And Since RJ Dosent Know How Many People Jane Has In On This Brilliantly Shields Jane Strategy From RJ Since RJ Would Think That If Craig Got The Same Information The Others Got It Would Mean Some Sort Of Reaction From Grace But Jane Also Manages To Shield This Part Of The Strategy From Him Too Even With All The Control RJ Has Jane Is Gaining The Upper Hand And Via This Insanely Complex Strategy That Has No Outs RJ Has To Do What Jane Has Anticipated Waste On Of His Fine Men Through Using An Assassin Now Later We Found Out How Brilliantly This Strategy Works Since RJ Did Send The Assassin To Bertram’s Room But She Used The Rope To Go Down To Craig’s Room Which Implies That Jane Knowing That RJ Not Knowing Who Jane Has Told And Whom He Hasent Has Worked And This Caused Him To Bring 2 Of His Men In The Line Of Fire This Is Insane Mind Reading And Seeing Through From Jane As He And RJ Are Mind Reading Each Other Back And Forth

- ➔ Jane And The Team Set Up The Rooms And The Assassin Walks In Jane Immediately Deduces That She Is The Assassin
- ➔ She Comes To Bertrams Room Leaving A Few Things And When She Is Caught She Jumps Of To Take Her Life
- ➔ Jane And The Team Now Have Their Inside Man Working With RJ
- ➔ Jane Lures In Bertram By Telling Him That Hightower Only Trusts Him Playing On His Insecurities More
- ➔ Lisbon Goes To Bring Pizza To The Police And Wants Van-pelt To Come Too Now She Also Takes Craig With Her Too
- ➔ Jane Sits With Bertram Asking Why He Doesn't Feel Nervous Bertram Asks Should He Be And Engages In Talking With Jane Mentioning The Rope Jane Instantly Deduces That Its Was Craig Not Bertram And

Calls Lisbon But Craig Is There And Shoots Lisbon But After Lisbon Fights Back Van Pelt And Hightower Shoot Craig Killing Him

➔ This Show Jane’s Strategy Resilience Jane Asks Lisbon To Call The Last Dialed Number On Craig’s Phone She Calls And There Is A Man Sitting On The Far Side Of The Mall He Says “Oh Well Win Some Lose Some” Implying Jane Won Which He Did Then Jane Kills That Man Who He Thinks Is RJ But He Tells Him That Him RJ Who He Isn't Wanted To Teach Him One Last Lesson But He Prevails Implying That The Real RJ Thought This Too

➔ Jane Kills RJ And Sips His Tea

-Even With RJ’s Insane ManPower Jane Prevails Referring To Janes Insane Strategy And How RJ Had To GIve Up 2 Of His People To Jane In Hindsight Now After This We Know That RJ Is Still Alive But Jane’s Strategy Nonetheless Wins As Admitted But Since RJ Is Alive This Means That Even With All Of His Power He Only Managed To Equal Things With Jane Is Otherworldly In Terms Of Skill And Versatility And Managed To See Through RJ’s Fabrication And Trap And Meticulously Evaded His Every Move

PATRICK JANE MANIPULATION & DECEPTION:

-To Explain How Jane Logically And Indirectly Manipulated All Of These People We Must First Look Over The Contents Given To Us

-The People Jane Is Going Against Is
RJ,Larouche,Ardiles,Brenda,Bertram,Craig

-Now Jane Has To Keep Potentially All Of These People In Mind Not Knowing Who The Friend May Be So Jane Individually Sets Up Traps For Each Of Them Which Will Make A Long Chain Of Reactions That Would Manipulate RJ’s Actions As Jane Anticipates

-Jane Firstly Manipulates Larouche Into A Corner By Bluffing Him About The Contents About The Burglary Which Causes Larouche To Give Up The List Which Would Cause RJ Not To Use Larouche As A Misdirect Since Its Most Likely That RJ Told The Bomber To Escape If He Ever Got Caught

And Who Ever Will Kill Him Would Be Framed By RJ As A Trap For Jane To Fall Into Waste Resources But Through This Bluff Jane Not Only Evades The Trap But Also Corner’s RJ To Which As A Reaction RJ Has To Leave Larouche As A Potential Frame Up

-Jane Then Sets Up The Trap For Ardiles Manipulating Him Into Believing The Contents Through Rigsby Through His Understanding Of Both Personalities

-He Then Set’s Up A Trap For Brenda Making Lisbon Give Her The Wrong File On Accident And Making Lisbon Act As She Made A Big Mistake Which Would Make Brenda Believe That The Contents Were True (Now This Acts As Bigger Chain Reaction Explained Later)Since She Is Working With RJ She Would Report This To RJ

-He Then Sets Up A Trap For Bertram Via Lisbon Again Since He Knows That Bertram Wouldn’t Believe Jane Much Which Shows His Self-Awareness About His Social Status So He Sends Lisbon Since She Is A Rule Follower And Tells The Story To Bertram Since Bertram Knows Lisbon Wouldn't Lie He Belives The Story And Also This Can Make A Less Of An Impact On The Media He Also Reports This To RJ

-He Then Sets Up A Trap For Craig To Fall Into By Using Van-Pelt As Bait For Him Through Rigsby Since He Knows That Craig Would Know That Rigsby Likes Van-Pelt Making Him Believe The Story Manipulating Craig Via Van-Pelt And Rigsby Since He Also Works For RJ He Would Report This Too RJ

-Now To Explain What Happens Is Jane Has A 3 Way Trap Set Via Bertram Brenda And Craig When RJ Receives This Information He Would Naturally Have To Think That This Information Is True But He Has To Verify Since He Cannot Let Hightower Slip From His Hands So Jane Is Indirectly Manipulating Brenda Who Is Manipulating RJ’s Actions Who Inturn Manipulates Bertram And Craig To A Certain Degree Of Anticipated Actions As Jane Predicts Who Inturn Is Manipulating The Fake RJ Who Due To All Of This Info Control Done By Jane Has To Keep Tabs On One Of His Friends As So He Does With Bertram Leaving Breanda Since He Can Spare One But Has To Give Up 3 People The Fake RJ Bertram Who Later RJ

Used As A Decoy Because Of This And Craig This Is Insane Indirect And Logical Manipulation From Jane He Is Manipulating 5-6 People Via His Perfect Trap Setting And Behaviour Controls

-Brenda Gives Info To RJ
-Craig Gives Info To RJ
-Bertram Gives Info To RJ

-Jane Manipulates RJ Into Manipulating Bertram Into Going With Jane And Then Manipulates Craig Into Going With Van-Pelt Manipulating Fake RJ To Keep Tabs On Bertam By Being Near Him And Keeping Tabs On Craig Via Phone Call Then Conveying The Real Info Back To Real RJ Who Will Then Provide Information Into What To Do Next This Is Insane Amount Of Strategy Control And Manipulation Done By Jane This Causes RJ To Give Up 3 Of His Important Men
