Covering the entire Anime of Danganronpa that only includes Izuru and context, documenting his feats that he had done and to be more explained in this document. To be specific only things that didn't get included in his planning or the specific details about Izuru that still needed to be talked about in depth here. I would highly advise you to read the other docs before reading this said doc the main doc would this link, Main doc
Hajime who had zero talents wanted to pursue and get into Hope's peaks Academy no matter what it may cause him, this instance of a motivation made him go with a 'certain' project and was fully manipulated by the Hope's Peaks Academy this first instance would be would be this, Scans Timestamp 9:45 Mr. Tengan, a person whom Izuru manipulated thus far who's working on the 'certain' project, the revival of the 'founder' which Izuru planned ahead and deceived, manipulated those around him this person is the one operating and helping by gathering those reverse course students like Hajime which he was picked and would participate soon enough, Manipulation, Deception, Mass Manipulation, Indirect Manipulation, Long-Term Planning, Prediction, Anticipation, Two Steps Ahead, Information Control, Influence
This episode would explain further and what Hajime had thought and his prior motivations are, Scans Timestamp 0:04 to 0:52
At the same time and this specific scan given, look around in this timestamp 19:33 that person is speaking and the statement he made why it holds a crucial thing for Izuru. Order us to investigate the dark side of this school
Which thus far had no leads which Izuru planned and concealed his entire planning secretly, all those around him are mere puppets, Mass Manipulation, Concealment, Setting Advantages, Planning Concealment, Setting Traps, Information Control
From this moment onwards the awakening of the founder and his plan had succeeded without single flaws. Scans Timestamp at 1:10 he recovered his past memories and processed it in milliseconds or even less, Memory Recovery, Long-Term Memory, Short-Term Memory, Memory Manipulation, Memory Processing, Memory Calculations, Memory Adaptability, Processing Speed Index, Data Manipulation, Adaptability, Fluid Thinking, Overall

Memory, Emotional Management, Emotional Engagement, Emotional Understanding, Working Memory Index
At timestamp 1:15-1:17 he observed the surroundings of the area this is a good insight, decision making, strategical thinking it shows how much aware Izuru is of the current situation, analyzing the situation in first hand after waking up in another body, Observation, Strategic Thinking, Decision Making, Analysis, Insight, Self Awareness, On-Screen Feats
1:22-1:29 A 'certain' plan has succeeded and the one narrating the scene is fully deceived, manipulated by Izuru's actions, Deception, Mass Manipulation, Indirect Deception, Long-Term Planning
13:42-13:57 Junko who knew about the Kamukura project decided to go with the facility that Izuru was kept in, while that's happening at this timestamp Junko tried to gather Izuru's attention which he decided at first not to comply, Decision Making, Composure, Emotional Management
At 15:26-15:31 Izuru finally looked at Junko while doing so he fully analyzed, observed the whole situation that was currently happening while doing so he's gathering information for the two individual students, Decision Making, Observation, Analysis, Information Gathering, Emotional Management, Composure, Emotional Endurance
15:32 While Izuru is looking and analyzing, observing the situation and gathering information Mukuro sensed the danger and how threatening Izuru is, Threats, Gaslighting, Psychological Manipulation, Direct Manipulation, Decision Making, Tactics, Information Gathering, Observation, Emotional Management, Composure, Psychological Analysis, Emotional Understanding, Emotional Perception
Mukuro questioned the situation and who Izuru may be, which is a form of gaslighting. Izuru did this feat by merely looking at Mukuro not only that but Izuru psychoanalyzed Mukuro's at first glance and he knew that she's rather experienced in combat which she was able to sense that he's a huge threat.
15:47-15:56 Izuru was just analyzing, observing both of them simultaneously, Observation, Analysis, Information Gathering, Composure, Emotional Management, Self Regulation

16:00-16:27 While Junko was talking Izuru knew what her intent was due to the information he observed and gathered thus far by simply merely looking at that exact moment of the attack caused by Junko Izuru already did predict and anticipate this action of hers, Decision Making, Composure, Emotional Management, Physical Stats, Information Gathering, Observation, Analysis, Prediction, Anticipation, Psychological Analysis, Emotional Understanding, Emotional Perception, Emotional Endurance, Two Steps Ahead
16:29 Mukuro tried attacking Izuru which Izuru predicted already and had completely decimated her by one finger, Decision Making, Composure, Emotional Management, Physical Stats, Observation, Analysis, Prediction, Anticipation, Two Steps Ahead
16:36-16:58 Izuru who just bodied the two of them, began giving his insight and reasons that their actions are simply boring and meaningless, Izuru who knew Junko would start speaking pressed his leg further in her body to assert dominance in the entire situation. Junko begins speaking and how delightful she was in despair she shares her idealistic ideology to Izuru and he can get this 'despair' too and feel it, Reasoning, Deductions, Observation, Logical Thinking, Composure, Emotional Engagement, Insight, Emotional Management
16:59 Izuru questions this 'said' despair and gives an insight and reasons that No matter how I logically analyze it, it is not necessary, Fluid Reasoning, Deductions, Observation, Logical Thinking, Analytical Thinking, Composure, Emotional Engagement, Insight, Emotional Management, Self Awareness, Self Regulation, Decision Making, Emotional Understanding, Analysis, Insight
Junko then laughs at Izuru and questions Izuru's whole 'logic'
17:14 Izuru who saw through her and her entire scheme Junko Enoshima, you have super analytic abilities, which allows you to see many steps ahead in advance, he continues. So why did you do this, knowing you couldn't win? ,Fluid Reasoning, Deductions, Observation, Logical Thinking, Analytical Thinking, Composure, Emotional Engagement, Insight, Emotional Management, Self Awareness, Self Regulation, Decision Making, Emotional Understanding, Analysis, Insight, Deductions, Psychological Analysis, Emotional Understanding, Emotional Perception

Junko notes that Izuru doesn't 'know' even though he has the same analytical ability as her even far better than her Junko who knew this fact tried to persuade Izuru and negotiates with him
