Episode 1

Tom knocked on a door for Ginjuro Manuroka and when he didn't answer said he knew he's in here. As Gin left he was handed a red bag with Onagiri by a lady he called hanako. As the tree he was on was shaken by Shizu he started making excuses. Tom burst in. Shizu eventually ripped out and threw the entire tree. Tom let out a sigh at having seen that.

At that moment the red bag was thrown on the ground by a flying Gin. Kadota asked what it was. Walker said it was a weapon dropped by the flying alien. When Kadota opened it he said the alien was going on a vacation .

Shinra was exasperated at watching a stupid alien show. Shinra asked why she pinched him just now and why she watched these shows. Celty explained if you're afraid of something then you should know everything about them. Izaya told her over the phone that he has a job for her.

Gin sneaked away with the red bag. In a building : a bald man asked what he means the money was stolen,a man said he had gotten it ready,a man with a scar with a scar asked who would've stolen it,a bald man asked where was Ginji when this happened,a blonde man explained he was in the hospital,the scar man said they need more information so call the infobroker.

A man in black was asked over the phone if someone stole it,the man explained that he took the bag straight out of the boat and put it in the designated area,the man over the phone called him an idiot. In a building: A blonde man in black said to call Izaya Orihara as they need more info.

Mikaido said that Kida told him there was some kind of a festival,Anri said yeah and he told her if a girl is wearing a yukata then the entire

groin is allowed for free. Kida said there is no place like that here. They were walking but were stopped by a lady in a maid outfit who said to stop right there and they are in luck and due to today's special if you bring a pretty girl in a yukata then one person gets drinks for free. Gin thought this wasn't his fault and if he didn't do this then that man would kill him,and was stunned at seeing Shizuo. Hanako said he wasn't always like this. Tom offered a handkerchief which hanako wiped her nose with. Hanako recounted how he said he would strike it rich soon and she was naive back then. Gin ran away but was noticed by someone in black. Hanako further recounted he was always showy and eventually started gambling to pay back his debt. Shizuo said that he's going to leave. Tom said he will be back. Shizuo said he was going to lose it back there and weak stories like that make him lose it.

A lady in a maid outfit told Ryugamine Mikado to look that way,and when Mikaido had looked,she announced her victory. The maid outfit girl placed cat ears on him. Kida Masaomi said to Ryuugamine that he looks good.

A middle aged man handed Celty a red bag and said he doesn't know what's inside and it can be anything from meat to a severed head. Celty was thinking about a severed head as a man came close to shoot her which she dodged.

Kida said Candied Apples,Fireworks and cute girls in Yukata's make a perfect festival and they only hear fireworks while eating candied apples. A man hurried his way through the crowd carrying a red bag but was intercepted by men in black.

On the truck of Saburo and the others there was a red bag as Walker changed something which upon Saburo asking,he explained was a chant to summon aliens and that the red bag was there to attract the aliens and have them take it from them. Erika recounted how she saw a show on UFO's and they exist,Kadato replied that only people like her believe it and it was bogus. They all saw The Black

Rider racing past. Several men in black were trailing Celty and told that to a man on the phone and they are close to Gokokuchi and just like the informant said it's on a black motorcycle,and another pointed to the bag on the truck.
Gin who was cornered was thrown and when the bag was checked it was found filled with money. A man in black said to someone on the phone that they played them . Gin woke up and was going to pick at the bag when a smiling Izaya picked it up.
Men in Black shot at Saburo and the others as Kadato exclaimed oh shit. They tried to escape the bullets .
A police officer seeing this chased after both saying to not mess with him. Due to the car of the men in black hitting the truck : the red bag fell in a bush. Due to police sirens the men in black ran away,an explosion was seen then due to the car of the men in black crashing with the railings. Celty was surrounded by 2 gangs on both ends of the road. One member of a gang pointed out that the other gang is the smugglers. Celty quickly escaped but was still chased.
Mikaido asked if he could take off the cat ears,Kida refused as he couldn't, Anri added she isn't as self conscious if they look ridiculous too. Anri noticed a red bag and asked if it was that guy's bag.
A lady struck a man with a bottle and asked the man how he dared to call her Gin that. A police officer stopped her and told her to calm down. hanako said sorry, bit that man called gin a bastard .The Officer said he gets it and the police will solve it.
Celty carried a red bag and was chased by several people.
Saburo drove the others and commented upon the crappiness of the day.
Hanako explained that she was born in Hanamaki and came here to be a beautician but the school which she was going to wouldn't even let her hold a scissor,her Gin came by all the time but like the man said gin is a bit of a loser. Due to the ladies crying the officer was prompted to give her a handkerchief. Anri Sonahara excused herself

and explained she found this,holding up a red bag. Hanako said that this was the bag.
Celty was still chased by 2 syndicates even when she entered a warehouse. The men surrounded and cornered her .
Celty wondered what part of this is simple. The bowl cut man asked the blond man in black if he's trying to double cross them. Suddenly large lights turned on and Shiki said that is a problem K since the goods are promised to them. The bowl cut man charged at Shiki but Shiki's men threw glowing paint at the men and after turning out the light beat them up. Shiki congratulated Celty on her good work. Izaya said it's something which shouldn't exist,the Cape Verde giant skink which was thought extinct for 60 years but then one was found. Shiki explained they are with a group of smugglers,and the rarer the animals the more they can get for. Izaya explained K tried to double cross them and sell it to the Shinuhazo group so he made a scheme to bring them here,but due to the shinuhazo group all bets were rendered off. Izaya told Shiki to not rub out the shinuhazo group. Izaya told the man in a bowl cut and explained he found the money but on one condition.
Kida explained that once summer break ends they won't see each other every day . Mikaido explained, so that's why he did it. Kida explained that even if summer break comes again then they might nit be as close. Kida said no matter how similar each summer is some things might change, Mikaido explained that's why he wanted to make this day special.
The shinuhazo group attacked Shizuo explaining that Izaya told them that they stole it . Shizu threw them out of the window.
Kida said look, it's a firework and this is the perfect summer festival.
Gin stumbled towards hanako.
Erika said "wow,Saburo,first someone slams into you then you get a ticket" and that blows as Saburo moves towards the car. They were all stunned upon seeing flying lights. Walker exclaimed UFO. Kadowala

asked what that was. Kadowala said he told them all they were real. Celty while moving on her bike watched the lights prompting her to message Shinra that they are here.

Shinra said to Celty that the weather is nice and they haven't gone out I'm a while so let's go. Celty refused and explained that after this she has to watch all her recorded TV Shows. Shinra commented that

Celty loves TV a lot,Yuuhei Hanejima has been popular. Celty explained that she likes his acting. Shinra revealed that he is Shizuo's Brother. Celty was surprised, prompting Shinra to repeat what he just said. Shinra explained that reading the character "Hane" in Yuuhei Hanejima as "Wa" makes "Yuuhei Wajima","YuuHEI Wajima","Yuu Heiwajima",his real name is Kasuke Heiwajima. Celty said that she didn't know that. Shinra asked how Izaya had 2 sisters,both in middle school. Celty said "no way".

Kurui and Mairu walked wondering where Yuuhei is,and he should be close.

Mika Harima told Yuuhei that he planted 20 bugs in Seiji's room but he found everyone,and every morning says good morning through them.

Naime Yogiri threw water on the TV saying she's the only one who can love Seiji. Naime remembered Izaya saying he's going to Ikebukuro.

An entertainment system was in the van through which everyone watched the screen. Saburo said how didn't Yuuhei receive a death threat. Kadota said that if the sender is serious then there blood will be spilt.

Shinra explained that Celty's shadow really needs sunlight and he thinks this couples contest needs them. Celty told Shinra to pipe down.

Shizuo watched this from the side lines. Mairu greeted Shizuo . Mairu said it's been a while ,which Kururui confirmed,Mairu asked where Yuuhei is and to introduce her to him. Shizuo says hell do it when Izaya falls in a garbage truck. Mairu said if he wants Izaya then Izaya's all his. Shizuo said no thanks. Shizuo picked both of them up .

Mikaido said to Yuuhei that he and Anri are friends or more then friends,at least he wants that. Anri said she never knew that. Mikaido said that they have a mutual friend who has gone away so they shouldn't do anything till he's back.

A man came to attack Yuuhei with a knife. Yuuhei only side eyed him. Before anyone could do anything a sign post was thrown at the man by Shizuo.

Shizuo threw Kurui and Mairu into a building and placed a vending machine ahead of the door. Izaya called Shizuo and said his sisters have troubled you and your brotherly love hasn't changed. Shizuo asked Izaya who that guy was and why Izaya told him about the danger to his brother . Izaya said he was trying to make amends,that guy was ranting over the Internet that he'll kill Yuuhei for his girlfriend-a serious Yuuhei fan- leaving him which he thought Yuuhei caused. Shizuo said so then he just happened to live in Ikebukuro,he just happened to see him on TV making him come by,he just happened to bring a knife. Izaya praised Shizuo for his instinct,and explained that he did leak Yuuhei's schedule to that man, anticipating Shizuo would come to help. Shizuo asked what Izaya's deal was. Izaya explained he is going to go underground but he wants to settle a score as he threw a knife at Shizuo. Shizuo crushed it with his mouth and threw a traffic light at Izaya.

Yuuhei reported how he and his team had captured a strange event and pointed out how several objects flew around. Izaya ran while Shizuo followed.

Celty decided to go and stop them.

Shizuo threw debris at Izaya which Izaya dodged while throwing knives.

Erika laughed and when being asked explained that it turns out the best couple in Ikebukuro is Izaya and Shizuo.

Several people due to Izaya and Shizuo's fighting were prompted to use this opportunity to kill Shizuo.

Izaya threw knives at Shizuo which Shizuo blocked using a sign post. Celty arrived at the city block. Several groups aiming to attack Shizuo also arrived . The reporters were going to record The Black Rider but were blocked by Simon.
Yuuhei ate at the restaurant Simon worked at and praised the food. Eventually a tired Shizuo threw another sign post at Izaya who dodged it. Izaya ran away prompting Shizuo to follow. Shizuo was hit by a truck. Izaya said how he could believe Shizuo fell for the same gag as the one in high school. Shizuo rose and threw the truck behind him. Shizuo and Izaya's fight continued, causing chaos and people fighting each other . Due to someone throwing Kurui to the ground,Mairu thus beat up the man and his gang. Mairu helped Kurui up. Celty created a shadow to restrict everyone. A police officer congratulated Celty for getting those delinquents under control prompting Celty to run away.

Episode 1

Izaya's Scheme

Izaya was commissioned by Shiki to get The Cape Verde Skink from the Smugglers . Izaya knew that The Shinuhazo Group was containing money and Smugglers were donating the skink in Red Bag's to make the exchange smoother and coincidentally the most suitable bag of Hanako was a red bag . So Izaya stole The Bag's Containing Money and The Skink from both groups. Izaya anticipated that Tom will try to collect the debt from Gin but as Gin escapes using the tree to climb down : Shizuo would shake and throw the tree upon being angered by Gin causing Gin to fly. Izaya calculated where Gin would land and

coincidentally the fact that the bag of Gin would land in such a place would be noticed by Saburo and the others,they would then due to Erika place it on the top of the truck,Izaya would replace Gin's Bag with The Shinuhazo Groups' Bag of Money. Izaya anticipated that when Gin would try to return home he would notice Shizuo and Tom still there making him flee,his fleeing would be noticed by Smugglers,causing them to beat him up and open the bag,but after noticing it doesn't have The Cape Verde Skink would leave him. Izaya would then collect the money bag. Izaya tasked Celty with retrieving the bag and taking it to a certain place. Izaya further anticipated that the path Celty took after being followed by The Smuggler (he informed them about her location) would interact with Saburo and others and the police causing both to be dragged into this ,due to the police the Smugglers will run away but before causing the bag on the truck of Saburo to fall off . Izaya anticipated that eventually Celty would be surrounded by Smuggler and Shinuhazo Group (who he also informed about Celty's exact path) eventually causing them to be led into a warehouse,in which he had Shiki wait there already with glowing paint . Izaya anticipated that the shinuhazo group would attack but due to Shiki's men throwing paint on them and the turning of the lights be defeated and the smugglers would run away . Izaya then would convince Shiki to not eliminate the shinuhazo group . Izaya due to his past experience with Mikaido profiled that he will try to go out and have a festival on that day due to his knowledge of the impermanence of his current friendship,and to further have fun made Anri wear a Yukata. Izaya further anticipated that they will enter the cafe offering a discount if there's a cute girl in a Yukata and then eventually stumble upon The Bag of Gin and go to The Police resulting in the Bag being returned to Hanako as Izaya anticipated Hanako entering a fight. Izaya would then manipulate the Shinuhazo group into attacking Shizuo by making them think Shizuo stole their

Episode 2

Izaya's Scheme

Izaya wanted to have fun playing with Shizuo before going underground again. To accomplish this desire he used Yuuhei. Izaya found someone who had lost a girlfriend who was a serious Yuuhei fan and manipulated him into thinking Yuuhei was responsible and then leaked him Yuuhei's location anticipating that the person will attack Tuuhei. Izaya also anticipated Simon being there in the location of Yuuhei's report to market the restaurant. Izaya next used The Dollar's Chatroom to leak the fact that someone is going to attack Yuuhei knowing Shizuo will be there and anticipating he will reason who is telling him this and go to save Yuuhei. Izaya anticipated that his sisters would want to see Yuuhei ,thus distracting Shizuo and forcing him to deal with them. Izaya knew Shizuo would knock out the attacker. Izaya would use that opportunity to anger Shizuo and attack him,making sure the attack is seen on TV anticipating people who wanted to kill Shizuo will use this opportunity. Izaya during his fight with Shizuo slowly directed him towards the road anticipating a truck while ensuring Shizuo is tired out and also anticipated that everything would descend into pandemonium due to the groups,knowing this conflict will cause Celty to interfere . Izaya anticipated that Celty will use her shadow to stop every conflicting group from attacking and Simon will prevent her from appearing in camera . Izaya fully anticipated Shizuo surviving since he just wanted to toy with Shizuo.
