UPDATED STRATEGY

Getting Girlfriend/Boyfriend Strategy

Best Strategy You Ever Need!

Introductions

The 6th version has finally been released, better than ever, with a higher success rate (from 0.0000000001% to 0.0001%). This is your last resort on getting the love of your life!

Follow these simple but not effortless instructions, and you will get them.

Proof

Notes

- Don't embarrass yourself, this is just a joke strategy.
- This will mostly work on girls/boys who have a real life.
- You need to have a real life for this to work.
- You might potentially get friend-zoned, if that happened, too bad, go find another one.
- Be mindful about the age gap.

Instructions

Steps	To Do List

1	• Log Off Discord
2	• Go Study and Exercise
3	• Practice speaking with others
4	• Talk with your crush as much as you can
5	• When you feel like it, confess to her/him. ○ Remember, sooner the better, don't let anyone else get to take their heart before you.
6	• You did it!

You actually read the whole thing? LMAO
