Norman Doc Part one.

Made by DL(Detective Lawliet.)

Norman has always been able to score a perfect 300 on exams, and the exams are based on mathematics and geometry. There is only 10 seconds per question out of 60. And there are also other types of exams.

NEXT, TYPE 2...
I'M SO TIRED.
PHEW!
WE'RE DONE!
I HAVE THE RESULTS.
I'M JEALOUS. I DIDN'T GET MOST OF IT.
LIKE ALWAYS.
MURMUR
THAT MUCH?! WOW!
MURMUR
I THINK I GOT AT LEAST HALF!
WHEW
EMMA.
RAY.
NORMAN.

(FRI, VSI, Knowledge, PSI)

No matter how shocking it was to believe Norman, he was able to maintain a normal expression so intimately that even Mama wouldn't notice.

(Acting skills)

The map can be drawn immediately after completing the forest.

(VSI)

Noticing the abnormality in finding Momma's children too quickly, leading to the conclusion that Momma has an eye device in every child.

LOOK, SHE'S NOT HURT AT ALL.
SHE GOT TIRED AND FELL ASLEEP.
WOO
THANK GOOD-NESS!
ZZZZ...
I'M SO SORRY! NAILA, I'M SORRY!
22194
THAT WAS TOO FAST.
22194

(observation, inductive reasoning)

Norman could guess that the demons only ate the brain(by Norman Observing the Demon's Speech) because it was the most delicious part, and if the human grew bigger the brain would get bigger and the child not being sent away was a score, if the score was high it would not. It was sent because the brain can develop quickly at the age of 6, which can develop up to 90%. This means that the bigger the brain, the more delicious it becomes, so children with high scores must be allowed to survive until they are 12 years old.

IS THIS WORTH DOING SO MUCH FOR?
...THIS?!
OUR AGE AND OUR SCORES.
THE KEY...
...TO OUR VALUE IS...
AND IF I REMEMBER CORRECTLY, THE SIBLINGS WHO WERE SHIPPED OUT WERE ALL BETWEEN SIX AND 12 YEARS OLD.
"ANOTHER SIX-YEAR-OLD."
"SHIPPING OUT NORMAL ONES."
AND IF BEING SIX YEARS OLD IS RANKED AS NORMAL...
...THEN THE HIGHEST QUALITY IS...
JUDGING FROM WHAT THE DEMONS SAID, AGE EQUALS THE GRADE OF THE MEAT.

THE ORDER OF GETTING SHIPPED OUT!
"I WASN'T AS GOOD AT THE TESTS AS EVERYONE ELSE."
THEN WHAT ABOUT OUR SCORES?
TWELVE YEARS OLD.
"PREPARE FOR THE PLUCKING OF THESE THREE THAT GOT FULL MARKS."
SO WE DIDN'T NOTICE, BUT THAT'S PROBABLY IT.
UNLESS WE GOT FULL MARKS, OUR SCORES WERE NEVER ANNOUNCED.
AFTER WE TURN SIX, WE GET HARVESTED IN THE ORDER OF LOW TEST SCORES.
AND WHEN WE'RE 12, WE GET SHIPPED OUT NO MATTER WHAT.

SO WE WERE WITHHELD FROM BEING HARVESTED BECAUSE WE GOT PERFECT SCORES?
AND WHY DO YOU THINK BEING BETWEEN SIX AND 12 YEARS OLD MATTERS?
BUT I DON'T UNDERSTAND WHY IT DEPENDS ON OUR SCORES.
...
HUH?
THE SIZE OF OUR BRAINS.
THE SIZE OF OUR BODIES?
NO. THEN IT WOULD DEPEND ON OUR WEIGHT.

OUR BRAINS!
A HUMAN BRAIN IS SAID TO DEVELOP TO 90 PERCENT BY THE TIME WE'RE SIX YEARS OLD.
AND ANOTHER THEORY SAYS THAT IT'S 100 PERCENT DEVELOPED BY 12 YEARS OLD.
THAT MEANS...
THE DEMONS ARE AFTER HUMAN BRAINS!

(observation, inductive reasoning, VCI, Knowledge)

Able to understand Mom's demeanor well, able to understand only Mom's position, better able to know only the child's position but unable to identify which child it is.(By reading the

body language that comes from Mama expressed)

(observation, EQ perception, FRI)

Norman understands Emma's feelings, that she is not afraid that she will die, but that her family will die.

(EQ Understanding)

Norman began to have doubts about Mummy because she seemed unusually calm. Because of the situation, she didn't know who the child was who knew the truth. If that was the case, she should have acted more nervous.

After Norman saw Mama's assistant, Norman immediately realized that he had been used by Mama to prepare a room for a new enemy and was able to waste Norman's time by being tricked. tricked into preparing a room for the new enemy.

I WONDER IF SHE'S SO CONFIDENT...
...BECAUSE SHE KNEW WE WOULD GET STUCK.
BRUSH
HEE HEE HEE
HA HA HA
SO...
DOESN'T IT SEEM ODD?
?
I CAN'T QUITE PUT MY FINGER ON IT.
BUT IT'S A ROUNDABOUT STRATEGY.
LIKE SHE'S BEING WAY TOO SOFT.
KSH
HER PLAN SHOULD BE TO MAKE US IMPATIENT SO THAT WE REVEAL OUR PLANS.
TIME IS LIMITED.
BUT TIME IS ALSO LIMITED FOR MOM.

YEAH!
THERE'S NO URGENCY TO FIND HER TARGETS?
...IT'S ONLY A SUSPICION. SHE HAS TO REMAIN CAUTIOUS.
EVEN IF SHE SUSPECTS US...
THE TRACKER ISN'T CONCLUSIVE.
SHIVER
WHAT EXACTLY IS MOM THINKING?!
BUT WHY DO I FEEL SOMETHING IS OFF?
MOM SHOULD WANT TO IDENTIFY AND DEAL WITH THE TARGETS AS SOON AS POSSIBLE.
SHE IS OUR MOTHER, BUT SHE'S ALSO OUR TEACHER.
READY?

LET ME INTRO-DUCE HER.
YAWN
THIS IS YOUR NEWEST LITTLE SISTER, CAROL.
AND THIS IS SISTER KRONE.
SHE'S HERE TO HELP ME WITH MY DUTIES.
AND WE'RE GETTING A NEW BABY EARLIER THAN USUAL.
A SEC-OND ONE!
...ADULT ?
AN...
...AND NEVER EVEN THOUGHT OF ANOTHER ADULT COMING HERE!
BA
WE WERE PRE-OCCUPIED WITH THOSE TWO THINGS...
AND WE ALSO WERE WORRIED ABOUT REVEAL-ING OUR PLAN.
WE WERE CONCERNED ABOUT THE TRACKER BECAUSE SHE SHOWED IT TO US.
BOOM
...TO HELP ME WITH SOME CHORES ?
COULD I ASK YOU...
OUM
22194

...WAS ALL JUST TO PREPARE AND BUY TIME FOR THIS!
194
THOSE CHORES. THE TRUTH BEHIND MONITORING US...
...READ MOM'S MOVES.
BOTH NORMAN AND RAY...
WE SAW THROUGH HER BLUFF.
WE DIDN'T REVEAL ANYTHING.
SHE MOVED US LIKE PAWNS AND DROVE US INTO A CORNER.
BUT EVEN THEN, MOM WENT FURTHER...
HEE HEE.
OF COURSE I DO.
IT'S LIKE YOU KNOW EVERY-THING WE'RE THINKING.
WHAT ?!
YOU'RE TOO GOOD!
CHECK-MATE.

(observation, PSI)

Norman deduced that there would definitely be another farm or place like this because besides Mom, there were other adults like Krone, that means there will definitely be other farms.

(Deduction reasoning)

He was able to accurately analyze Krone's strategy and over time noticed irregularities and realized that Krone had changed his strategy.

(observation, Analysis)

His tactical skills were so high that even Krone with superhuman strength could not capture her.

SPLIT
!
I'LL HUNT DOWN NORMAN FIRST!
I WON'T LET EITHER OF THEM GET AWAY! I'LL BRING THEM BOTH DOWN WITHIN THE TIME LIMIT!
DASH
...AND FIVE MINUTES FOR RAY.
IT'LL TAKE THREE MINUTES FOR NORMAN.
TMP
ZOOM
TOO LATE FOR THAT!

(Strategy skills)

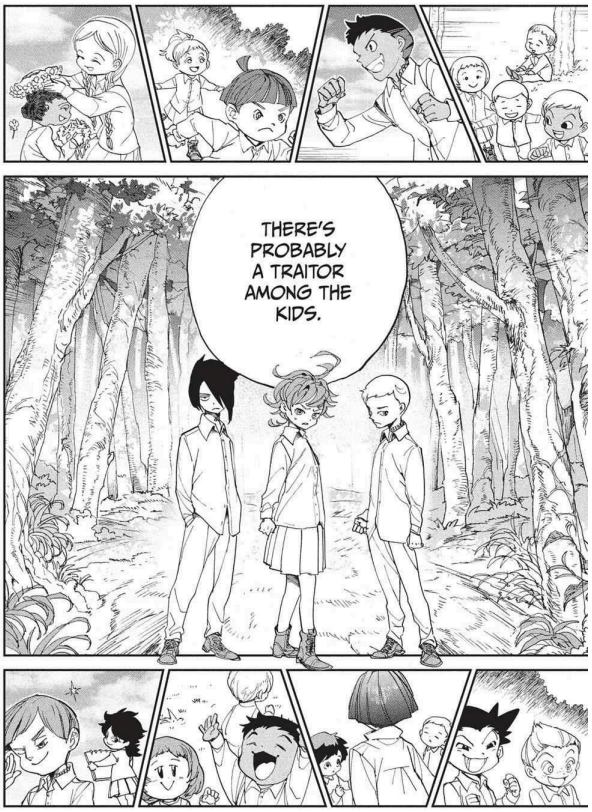

Norman was able to deduce that there were spies among the children because of Ma's abnormality. At first he didn't know if any of the children knew the truth and therefore found various tests for the children. To see the current behavior, Mom don't do that, it means that Mom knows which child it is.

And Sister Krone initially only rushed the five oldest children in the farm.

IF SHE HADN'T IDENTIFIED THE TARGETS AND WANTED TO STILL DO SO...
...THERE'S NO WAY SHE WOULDN'T WATCH THE SUSPECTED ELDEST FIVE.
BUT THE FACT IS THAT MOM HAD SISTER KRONE...
...GUARD IN GENERAL FROM THE BEGINNING. SHE ONLY REINFORCED THE SURVEILLANCE.
I'VE BEEN WATCHING TO SEE IF IT WOULD CHANGE, BUT IT'S CONTINUED FOR OVER TEN DAYS.
MOM HAS NO INTENTION OF SPECIFYING THE TARGETS. AND SHE'S LETTING US DO AS WE WISH.
BUT THAT'S ALSO WEIRD, RIGHT?
YEAH...
THEN WHAT WAS THE PURPOSE OF OBSERVING HOW I RESPONDED THAT FIRST TIME?
RIGHT...

BUT HOW?
THAT MEANS SHE'S ALREADY IDENTIFIED THE TARGETS?
BUT NOW SHE DOESN'T INTEND TO.
MOM WANTED TO IDENTIFY US.
AND EVEN IF SHE IDENTIFIED US, SHE'S LETTING US DO WHAT WE WANT...
THERE'S NO WAY TO FIGURE OUT WHICH TWO OF US IT WAS FROM THE TRACKER.
THAT'S WHAT NORMAN IS TRYING TO SAY.
SHE DOESN'T EVEN HAVE TO MAKE SISTER KRONE WATCH US.
BUT WHAT IF THERE'S ALREADY A DIFFERENT PERSON WATCHING US NEARBY?

(Deduction reasoning, observation)

Norman was able to analyze that Mom was tricking us into having more time to prepare but was actually delaying the delivery of the baby early and Norman countered by making

preparations earlier. Originally to make Mom unable to think of a counter strategy in time.

(Analysis, Deception)

Strategize to catch Ray because Norman has been suspicious of Ray since Sister Krone arrived. So he strategizes to capture Ray by telling Amma and Ray where the rope is and going. Tell Don and Gabyda that they are in another place from the first time they told emma and ray. And it can also be deduced that Mom didn't believe in Ray from the beginning, which caused her to play a mental game with Emma.

I SET A TRAP FOR THREE PEOPLE.
...
YOU ALREADY REALIZE IT, DON'T YOU?
WHAT ARE YOU TALKING ABOUT? WHAT'S WRONG, NORMAN?
I SAID THAT IN FRONT OF YOU AND EMMA.
TO GILDA, "IT'S IN THE CEILING OF THE BATHROOM ON THE SECOND FLOOR."
TO DON, "IT'S BEHIND MY BED."
DON WAS MERELY FRAMED.
OUT OF THE FOUR HIDING SPOTS, THE ONLY ONE MISSING WAS THE ONE BEHIND MY BED.
I RETRIEVED ALL OF THEM JUST NOW.
THUD
BUT I ACTUALLY TOLD DON THAT IT WAS IN THE DINING HALL.
AND GILDA THAT IT WAS IN THE LIBRARY.

I ALSO WANT TO POINT OUT ONE THING.
YOU'RE NOT JUST A TRAITOR REGARDING THIS MATTER.
IT'S NORMAN AND EMMA.
NORMAN & EMMA
MOM WOULD NEVER TRUST A SUDDEN TIP OR A MAKESHIFT SPY THIS MUCH.

(Analysis, Deception, Setting trap, Strategy complexity)

Norman was able to determine that Ray was the one who planned Norman and Emma's discovery of Emma's human trading.

YOU'RE THE ONE WHO SET UP THIS ESCAPE, RIGHT?
IF EMMA DIDN'T FIND THE LITTLE BUNNY YOU *PLANTED* IN THE DINING HALL, YOU WERE GOING TO HAND IT TO HER.
ESPECIALLY SINCE YOU WERE IN THE SAME ROOM AS HER.
IT WOULDN'T HAVE BEEN HARD TO FOOL CONNY.

...WE WOULDN'T HAVE GONE TO THE GATE.
IF YOU HADN'T SAID THAT THAT NIGHT...
I DON'T THINK CONNY'S ACTUALLY LEFT YET.
THE TRUTH ABOUT THIS HOUSE.
YOU LED US TO GO FIND OUT THE TRUTH OURSELVES.
...THE WAY MOM WANTED.
CON-TROLLING US...
MAKING SURE WE WERE CAUTIOUS.
WE HAVE TIME.
KNOW THE OUT-SIDE.
SO CAN YOU LEAVE THIS ISSUE TO ME?
YOU WERE CONTROLLING US.
YOU WOULDN'T HAVE DONE THAT IF YOU WERE 100 PERCENT ON MOM'S SIDE.

(Analysis)
